

Subject: Health and Social Care

Curriculum intent:

This course will provide learners with essential knowledge, transferable skills and tools, contributing to both their personal development and future economic well-being. Cambridge Nationals in Health and Social Care will equip learners with sound specialist knowledge and skills for everyday use. They will also challenge all learners, including high attaining learners, by introducing them to demanding material and skills; encouraging independence and creativity; providing tasks that engage with the most taxing aspects of the National Curriculum (including Values of Care and the importance of softer skills such as communication skills to ensure individuals right to independence and dignity).
