Latest news and updates

Contacting Home Form tutors and Year 10 Mentors are calling home to make contact and check that pupils can access learning materials and help where possible. If they cannot contact you by phone they are emailing too.

FSM Voucher Update – we are really pleased that the voucher scheme is now up and running successfully, the vast majority of our families have received their vouchers. If you are having difficulty in making the scheme work for you or have not received the voucher you were expecting just call school or email in and we are working with families to solve these issues.

Dear Students and Families

I hope you are all keeping well and looking after each other. It is a very difficult time and as yet we do not know when we will be starting back at school. Thank you to all of you who are working so hard to complete your work at home. I know it is not the same as being in school but we will all get through this time and soon be back into our school routines. Thank you to all our parents who have supported you so well during this time.

I am immensely proud of our community at Hazel Wood High School. Students, parents and teachers have all embraced the situation with positivity and supported us over the last few weeks. Parents have been hugely supportive; our staff and the senior leadership team led by Mr Greenhalgh have given energy, passion and time to make this new way of learning work; and our students, have been a credit to Hazel Wood High School.

Living in lockdown can be stressful and we know that you will be missing socialising and meeting up with your friends. You may also be worried about people in your family. We are here to help you and talk to you if you need this- students and parents. I do hope that your form teacher has managed to make contact with you or another member of staff from school.

There are multiple ways for students to get in touch. You can get in touch with your class teachers through SatchelOne, you can get in touch with all teachers and form tutors using the email system, this is all set up securely with email groups. For quick / direct contact you can use the school enquiries email which we check daily or can call the phone school during opening hours. We also have two mobile emergency numbers advertised on the newsletter and website and now also advertised on Facebook.

As you will know from Mr Greenhalgh's communication we are currently open to students of key workers and also to students who require specific support during this period. If you have a query or you need to speak to someone we are also open daily from 9-12.35 and 1.15- 3pm dependent on need. Families have been calling and popping in for the work packs at these times. Please continue to do so. We are here to help you and support you.

Please take care of yourselves and stay safe.

My very best wishes

E. J. Parkinson

#HAZEL WOOD WAY FAMILY NEWSLETTER

Hazel Wood High School

Evelyn and I would like to send warm greetings to all pupils, parents, staff and governors at Hazelwood High School.

We have had a lovely year as Mayor and Mayoress of Bury and have many fond memories. Some of the most memorable occasions have been events that we've attended at Hazel Wood, including a fabulous Christmas Fayre, followed by a wonderful concert. We were also privileged to attend the joint concert with Hazel Wood High, Elms Bank School and Unsworth Primary School, our choir were magnificent, singing many of our favorite songs, it was a special night and something we will always remember.

In these difficult times it is important that we look out for each other. Our school has always been at the heart of the East Ward community, from carrying out litter picks in the area to our students visiting Bury Hospice.

We know that our students are not only helping to protect the NHS by staying indoors but are also, whenever possible, looking out for friends and neighbours, particularly vulnerable people.

We are very proud of our involvement with Hazel Wood High School and look forward to the time when we can visit the school to thank them for the part you have all played in supporting our community during these challenging times.

Very Best Wishes

Trevor and Evelyn
Mayor and Mayoress of Bury

SCHOOL WORK – IMPORTANT Information from Mrs. Norman

I am sure you have all been doing the tasks provided by your teachers in order for you to continue learning during the closure of school. It is important that you continue to work through these.

For pupils with internet access.

From Monday 27th April your teachers will put your work tasks onto a website called SatchelOne (it used to be called Show My Homework). Most of you in Year 8-11 can already logon and know how to use this website.

For those of you who haven't used it before you need to firstly activate your email account.

- 1) Go to www.office.com
- 2) Logon with your account email address which is; your Hazel Wood ICT username @hazelwoodhigh.co.uk
(example. Inor@hazelwoodhigh.co.uk)
- 3) Your password is the same that you use to logon to the school ICT network.

Once your email account is activated you can logon to SatchelOne.

- 1) Go to www.satchelone.com
- 2) Click the option to login using your email / office account.
- 3) Type in your email address and the same password.

Please see the school website for more guidance on using office.com and satchelone.com. If you have any problems please contact Mrs. Norman by email l.norman@hazelwoodhigh.co.uk

If appropriate please submit work electronically as per each individual teacher's requests.

For pupils with limited / No internet access

From Monday 27th April a four-week work packs have been available for those students with no internet access.

These are available for collection by you or a family member from the school's reception, there is a table at the front of school and sheets to sign to confirm collection.

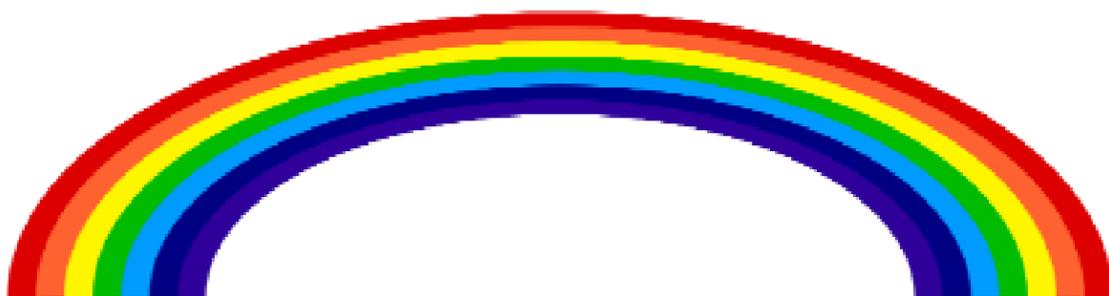

Please adhere to social distancing measures when approaching school and the main reception area.

Thanks

Laptops for pupils to use during the lockdown –

As you may have seen the government are looking at ways for supplying a lap-tops to some pupils. Just to keep you up to date these have been provisionally designated for mainly Year 10 pupils to start with and when we have received more information we will contact families and let them know what has been decided.

We will share information as soon as we have it!

#HAZEL WOOD WAY FAMILY NEWSLETTER

Here is a fantastic link to use to get onto the school emails and how to make the system work – it's a film that takes you through step by step.

Thanks to the Year 7 Team

Learning at Home

Subject teachers would love to hear back from pupils, to mark work completed especially in Year 10 and also to assist where a pupil is finding a task hard to understand.

You can always use the numbers above and we will put you in contact with the teacher.

Learning Support – Literacy Skills

Some students have also bene contacted by our language development team and have been provided with extra support material for learning - Mrs Fisher and Mrs Gulzar. Each pack includes a stamped addressed envelope so that pupils can return the work they complete. This will be scanned in at our office and we will mark it and provide feedback to the students. They will be sending out the next set of work on 4th May and continuing on a fortnightly basis.

Advice for parents during coronavirus Whilst coronavirus is infectious to children it is rarely serious. If your child is unwell it is likely to be a non-coronavirus illness, rather than coronavirus itself. Whilst it is extremely important to follow Government advice to stay at home during this period, it can be confusing to know what to do when your child is unwell or injured. Remember that NHS 111, GPs and hospitals are still providing the same safe care that they have always done.

Keep safe everyone – next edition is due out Friday
