Dear Year 8

Miss Adams has passed on to me the poem that you have composed. The poem not only perfectly captures the philosophy, ethos and character of our school, it also graphically describes the commitment you have to Hazelwood High School.

The poem is also very moving and inspirational. Like you, I am very proud of my involvement with our school and many of your parents and grandparents are people I count as friends.

Hazelwood sits at the heart of East Ward community and I know you all care passionately about the people of our area. I am also aware how deeply you feel about the physical environment around the school.

These are very challenging times for us all and it is essential that we continue supporting each other, both with words and deeds; your poem is full of love and respect and sends a positive message to us all for the future.

I would like, if you agree, to share with my family and friends your beautiful words and the inspirational message behind them.

It would be lovely to come and see you but I think it may be some time before that can happen. I also can't wait to join you for a slice or two of toast (with marmalade if possible).

Thank you again for sharing your poem with me and thank you for all you do for our community and Hazelwood High School in particular.

Very best wishes to you all.

Yours sincerely,
T. Holt
