

## The Difference between logging into a computer and your Email Account

The picture below is where you enter your username and password – NOT your email address

Example.

Username – f.las

Password – YourSetPassword!

The picture below shows you how to sign  
into your school email

You can Google “Office365” or go to  
<https://login.microsoftonline.com/>

You enter your full email address

Example

Email - [f.las@hazelwoodhigh.co.uk](mailto:f.las@hazelwoodhigh.co.uk)

Password - YourSetPassword!
