Dear Parent / Carer,

We would like to congratulate your son/ daughter in being successful in securing a place as a Diversity Champion.

This role will see them driving forward improvements for our students. They will be the voice of the pupils and give them an opportunity to have their voice heard. We take great pride in students who show such leadership and positivity and we are sure they will make some real positive change in the coming months.

We would welcome any suggestions from home about how you would like to see your child, your heritage or your identity represented in our school. You can pass on any feedback through your Diversity Champion or you can email myself directly with any feedback.

If you require any other information please contact myself on the email below:
