

27th November 2019

Dear Parent/Carer

Session 0 and Session 6 Years 10 & 11

Our Hazel Wood pupils progress is of upmost importance to us and we pride ourselves on our commitment to work together to achieve. With this in mind we have exciting opportunities for our pupils to gain small group support additional to their class time.

We will have two sessions per day available. The first will be before the school day. This will be named '**Session Zero**' and will be arranged by the individual class teacher. The second will be named '**Session Six**' and will be delivered at the end of the day 3.30pm- 4.30pm. Each evening will have a different subject focus to support our young people and ensure they appreciate the importance of all their subjects and progress for all.

Session 6 is open to all students but you may find your child receives a personal invitation to a particular session. This will indicate the importance of them attending this session to ensure they do all they can to progress further. If you receive this personal invite please encourage your child's attendance and we will continue to work together for positive outcomes.

Please find below the Session 0 and Session 6 timetable enclosed which gives further information on the focus of each morning or evening.

Your sincerely,

R. Sheard-Pearson

Mrs R. Sheard-Pearson
Assistant Headteacher
