

Monday 22nd March 2021

Dear Parent/Carer,

We would like to offer our students in Years 10 and 11 as much opportunity to achieve as possible after the disruption that they have faced.

We will be offering after school interventions starting on 29th March from 3.00pm until 3.30pm with compulsory attendance expected during this time. The session will then continue until 4pm for any students wishing to stay for additional support and learning.

All sessions and attendance will be available for you to see on sims activities which can be accessed via the chess piece on your sims parent app. Through this you will be able to see if your child has been marked present or absent for each session.

If you have any questions please contact your child's subject teacher.
