

28 January 2020

Dear Parent/Carer

Y11 Aspiration Academy

As the exam season comes upon us Hazel Wood High would like to offer students the Aspiration Academy to support their learning and progression.

These will be additional, intensive, personalised sessions where students get the opportunity to boost their skills and knowledge for their exams. Students also have the exciting opportunity to attend an 'open learning' session in the Hub where they can use the computers and a quiet space for them to do independent or small group study. This will be supervised by a member of SLT.

Please note the kitchens are not open on these days and as school cannot be responsible for students off site, a packed lunch is recommended.

The Sessions available are listed overleaf.

Please indicate on the reply form which sessions your child will be attending. Form tutors will be collecting these in.

Yours faithfully

R Sheard-Pearson

Mrs R Sheard-Pearson
Assistant Headteacher

YEAR 11 ASPIRATION ACADEMY

Saturday	Saturday 8th	SLT
9.00-12.00	Music ICT iMedia	Hub Open learning
