Dear Parent/Carer

### Form Time Study Sessions

Year 11 exams are coming upon us thick and fast and we would like to support our students in every way we can. To support your child's progress we are offering form time sessions focused on consolidating their learning and revision techniques.

We strongly believe that these sessions will be extremely useful for your child's success. These will be completed in the usual form classes, during form time and will have no impact to student's usual working day.

These sessions will initially focus on either Maths, English or Science which will be on a carousel over the coming terms. We hope you will support this decision to challenge and secure the learning of our students.

If you would like to discuss this further, please do not hesitate to call and ask to speak to their Form Tutor.

Yours sincerely

*R. Sheard-Pearson*
