

Friday, 18 September 2020

Dear Parent/ Carer,

We are aware of the challenges, and disadvantages to learning, that your child has experienced during these very unusual circumstances. To support your child’s learning, we would like to offer additional provision for those who need, and want, further intervention within their subjects.

21st September – 22nd October: Compulsory attendance for Session 7 intervention catch up

We encourage all students to attend and consider this a compulsory session at the end of the day.

These sessions will run from **3pm – 3.45pm.**

We know that you will support us in ensuring that your child attends these sessions. We will send a SIMs parent app message to let you know that they have arrived safely to their session and they will also receive achievement points from their teacher.

Week beginning 2nd November until further notice: Session 7 continues as compulsory attendance with additional small group intervention.

These sessions will continue as compulsory attendance however there may be small groups who need a little extra support. From the 2nd November we will send a personal invite if we feel this would benefit your child.

We look forward to seeing your child in these sessions. The subject timetable will be as follows;

Day	Subject
Monday	Maths
Tuesday	Food, DT, Hair and Beauty, Performing Arts, Music, iMedia, Art, Sport
Wednesday	
Thursday	History, Geography, Spanish, Science
Friday	English

Best Wishes,

Mr. P. Greenhalgh
Headteacher
