

Tuesday, 22 September 2020

Dear Parent/Guardian,

Hazel Wood High School will be hosting a special Macmillan Coffee Event on Friday 25th September.

Due to current restrictions we are unable to invite parents into school to share in our MacMillan Coffee Event. However, we would still like for you to feel involved and to support us in making this event a success.

On the afternoon on Friday 25th September, each form will hold a special tea party that will reflect the Macmillan coffee events taking place across the country. Please help support us by sending in any donations of cakes and drinks. The pupils will have the opportunity to buy the cakes and drinks and will also take part in some activities with their form teacher.

We hope to raise as much money as possible for the Macmillan Cancer Trust by selling cakes and refreshments. This will be our first form competition and a prize will be awarded to the form that raises the most money at this event.

We can't wait for you to help us make our coffee afternoon a huge success and thank you in advance for your support

Yours sincerely,

Mrs R Davison
