

17 July 2020

Dear Parent / Carer and Year 11 Students

I hope this letter finds everyone safe and well.

As school closes for the summer holidays it is important to share some information and reminders for the weeks ahead.

Exam Results

Everyone should have recently received an electronic message, that included information about Results Day, on Thursday 20th August. I have included a second copy of the information with this letter and the individual time you have been allocated to collect the results from school.

Please be aware that due to Covid restrictions we have had to organise the results day in a different format, however the personal care and support we all want for our all pupils will be in place, along with assistance from Mr K Welch, from Realistic Choices, who has detailed knowledge of the college courses and career pathways.

As always we will endeavour to assist all our pupils in their journey to the next stage of their development at a college, an apprenticeship or in employment. Please contact us on the school enquiry email if you need any support and we will get back to you once we return to school.

Year 11 Opportunity

In August NCS is offering a tailored programme for young people to give something back to their communities, whilst still meeting new people and gaining new skills, all in a safe, socially distanced environment.

Keep Doing Good is a completely free experience for Y11s and Y12s. Over 5 days groups of up to 5 young people will pledge at least 16 volunteering hours with charity partners. This will be based at a local hub in Bury, and all activity will adhere to up to date government and NYA advice. Please find an information flyer in this letter for further details.

If any of our students wish to pledge their time to Keep Doing Good they can sign up online at www.wearencs.com.

Save the Date: Year 11 Presentation Evening

Year 11 Presentation Evening takes place on Thursday 21st October. This event will provide all students and families with the opportunity to meet up with their friends and school staff, collect together and share your latest news, whilst also receiving the official examination certificates, celebrating success. A personal invitation will be sent nearer the time, but as we plan for the weeks ahead it is important we share this important date with you all.

Year 11 Prom

As requested by students we have re-scheduled the Year 11 Prom to Friday 2nd October, at the same venue, The Dunkenhalgh Hotel. Obviously this event is under constant review, and as the latest guidance states that there can only be a collection of up to thirty people in group, this may once again cause us an issue with this event. We will contact families nearer the time, follow the latest advice issues next month and take advice from yourselves as to the next step for this celebration.

Year 11 Hoodie

Please be aware that we offered students the opportunity to have a Y11 Hoodie, during welfare calls. A sample hoodie, grey as requested by pupil vote, with a guide to price and sizes will be available to view at school on results day and can be ordered at that time.

Year 11 Uniform Donations

We have been delighted by the Hazel Wood High School uniform donations that families have made in the last couple of weeks. At such a difficult time for so many in our community, with lockdown restrictions and increasing unemployment, school uniform for some families may prove difficult to purchase and the availability of uniform from school, using your donations, are very much appreciated. We will accept more uniform donations on results day or at the start of the new term from Tuesday 2nd September. Thank you

Finally, on behalf of all the staff at Hazel Wood High School we wish everyone in Year 11, and your families, a safe and happy summer. We hope to see you all on Friday 20th August and we can catch up with you, celebrate your successes and hear your news.

Your sincerely

Mr P Greenhalgh
