Respect Responsibility Aspiration

Dear Parents/Carers,

**Re: Changes in timings of the school day**

We have been reviewing our school timings for the 2022-2023 academic year in order to ensure that we provide your child with the greatest opportunity to fulfill their academic potential.

As result of this review process, we have made the decision to make some minor changes to the start and end times of the school day. As aforementioned, we feel that this change in time will support all of us in ensuring a better education for your child.

The overleaf of this letter shows the full breakdown of the school day, which will come into effect from September 2022. However, to summarise the main changes to the timings of the day we will start school at 8.55am and finish at 3.15pm, except for our Year 11 students who will finish at 4.00pm and as a result benefit from extra tuition in all their examined subjects every day.

Can I please take this opportunity to remind you that outside the times outlined below your child is your responsibility, but also that they continue to represent the school whilst wearing our uniform. As such, we must work together to ensure that they are always safe and positive contributors to the community – both during and after school hours.

Please do get in touch with us if you have any issues with these new times and thank you for your continued support.

Kind Regards,

Mr. P Greenhalgh
