Thursdays and Fridays  
in the  
Careers Room

Student feedback from interviews:

"We spoke about A Levels and Vocational levels which I have more understanding about and I am now going to go away and do more research into these courses regarding my grades and pathway choices"

"It has made me think more about my careers ideas and apprenticeships"

"I will now try harder in school because I want to go into a good job and college"

"I know more about my future plans and what is needed to achieve them"
